RE: **Inflation Reduction Act 25C Tax Credit Eligible Furnaces**

To All Concerned,

Currently, any furnaces with an AFUE Rating of 97% + is automatically eligible for the Inflation Reduction Act 25C Tax Credit (\$600.00). These are the Comfort-Aire branded models that would qualify based on the data from <https://www.ahrinet.org/certification/cee-directory> at the time of this writing:

Data current as of 10-10-2024

The data provided are the representations submitted to DOE by manufacturers and their third party representatives. DOE makes no representations or warranties regarding the accuracy of the data.

Brand	Model Number	Input Rating (BTU/hr)	Annual Fuel Utilization Efficiency (AFUE)
COMFORT-AIRE	GUH97T135D5M	132000	97
COMFORT-AIRE	GUH97T110C5M	110000	97
COMFORT-AIRE	GUH97T090C5M	88000	97
COMFORT-AIRE	GUH97T090C3M	88000	97
COMFORT-AIRE	GUH97T070B3M	66000	97
COMFORT-AIRE	GUH97T045B3M	44000	97
COMFORT-AIRE	GUH97M110C5M	110000	97
COMFORT-AIRE	GUH97M135C5M	132000	97
COMFORT-AIRE	GUH97M070B3M	66000	97
COMFORT-AIRE	GUH97M090C3M	88000	97
COMFORT-AIRE	GUH97M090C4M	88000	97
COMFORT-AIRE	GUH97M090C5M	88000	97

MARS/Heat Controller does not guarantee the eligibility in perpetuity of models listed, as the eligibility requirements may change over time. It is the responsibility of the consumer to verify data before purchase and to work with professional tax personnel to successfully apply for tax credits as required by Federal Tax laws.

Sincerely,

Glen Bowen
